

Resources for students via NHS OpenAthens

For UHMLG

Alan Fricker
NHS Knowledge and Library Hub Manager

England

Two strands to NHS OpenAthens

- Students have access to different NHS content and online services depending on which NHS OpenAthens login they use
- NB All nationally procured resources are currently out for tender so changes to be expected from April 2024

Placement issued

- Based on placement organisation
- Lasts duration of their placement
- All the resources at that organisation
- Local systems where OpenAthens is used

HEI issued

- Based on eligibility via membership of course with NHS placement element
- Lasts duration of the course
- Most of the national resources (some exceptions)
- National systems where Open Athens is used

HEI Issued NHS OpenAthens

Database Content – across Ovid, Proquest and EBSCOHost interfaces
